

Redemption Falls: A Novel

1865. The Civil War is ending. Eighteen years after the Irish famine-ship *Star of the Sea* docked at New York, a daughter of its journey, Eliza Duane Mooney, sets out on foot from Baton Rouge, Louisiana, crossing a ravaged continent on a quest. Eliza is searching for a young boy she has not seen in four years, one of the hundred thousand children drawn into the war. His fate has been mysterious and will prove extraordinary. It is a walk that will have consequences for many seemingly unconnected survivors: the stunning intellectual Lucia-Cruz McLelland, who deserts New York City to cast her fate with mercurial hero James Con O'Keeffe -- convict, revolutionary, governor of the desolate Western township of Redemption Falls; rebel guerilla Cole McLaurenson, who fuels his own gruesome Westward mission with the blind rage of an outlaw; runaway slave Elizabeth Longstreet, who turns resentment into grace in a Western wilderness where nothing is as it seems. O'Keeffe's career has seen astonishing highs and lows. Condemned to death in 1848 for plotting an insurrection against British rule in Ireland, his sentence was commuted to life transportation to Van Diemens Land, Tasmania. From there he escaped, abandoning a woman he loved, and was shipwrecked in the Pacific before making his way to the teeming city of New York. A spellbinding orator, he has been hailed a hero by Irish New Yorkers, refugees from the famine that has ravaged their homeland. His public appearances are thronged to the rafters and his story has brought him fame. He has married the daughter of a wealthy Manhattan family, but their marriage is haunted by a past full of secrets. The terrors of Civil War have shaken his every belief. Now alone in the west, he yearns for new beginnings. *Redemption Falls* is a Dickensian tale of war and forgiveness, of strangers in a strange land, of love put to the ultimate

test. Packed with music, balladry, poetry, and storytelling, this is a vivid mosaic of a vast country driven wild by war (Irish Independent), containing moments of sustained brilliance which in psychological truth and realism make Daniel Defoe look like a literary amateur (Sunday Tribune). With this riveting historical novel of urgent contemporary resonance, the author of the bestselling *Star of the Sea* now brings us a modern masterpiece.
