

## El Reino de Este Mundo / The Ruler of This World

Novela calificada por Mario Vargas Llosa como una de las más acabadas que haya producido la lengua española, *EL REINO DE ESTE MUNDO* (1949) recrea de forma incomparable los acontecimientos que, a caballo entre los siglos XVIII y XIX, precedieron y siguieron a la independencia haitiana. Estimulado por la prodigiosa historia original y valiéndose de un magistral dominio de los recursos narrativos, Alejo Carpentier (1904-1980) embarca al lector, merced al poder de su palabra, en un mundo exuberante, desahogado y legendario en el que brillan con luz propia el licántropo Mackandal, en quien se conjugan la rebelión popular y los poderes sobrenaturales, y el dictador Henri Christophe, quien alumbra en su palacio de Sans-Souci y la ciudadela de La Ferrière arquitecturas dignas de Piranesi.
