

R LS Dream

Soupspoon Wise is dying on the unforgiving streets of New York City, years and worlds away from the Mississippi delta, where he once jammed with blues legend Robert RL Johnson. It was an experience that burned indelibly into Soupspoons soul -- never mind that they said RLs gift came from the Devil himself. Now its Soupspoons turn to strike a deal with a stranger. An alcoholic angel of mercy, Kiki Waters isnt much better off than Soupspoon, but she too is a child of the South, and knows its pull. And she is determined to let Soupspoon ride out the final notes of his haunting blues dream, to pour out the remarkable tale of what hes seen, where hes been -- and where hes going. Winner of the 1996 Black Caucus of the American Library Association Literary Award in Fiction
