

Gold Rush Deluge: Book Two of The California Argonauts

Sacramento is underwater. A deluge of epic proportions has engulfed the town, leaving Lucinda Martin York and George Arnold stranded. Lucinda uses her medical skills to help save the citizens of Sacramento, working as a physicians assistant to Dr. Mitchell Kersey. When she uncovers lies and treachery in the doctors past, she becomes enmeshed in dangers even more deadly than the flood. Lucinda must fight to save her life, her dreams, and her future with George. Based on historical events of 1850 Sacramento, Gold Rush Deluge is riveting and romantic. What people are saying about Suzanne Lillys other books: Gold Rush Girl is good, clean, and well written historical read. I can easily see this story being made into a mini series. ~~~Book Preview Review Untellable is a delightful mix of mystery, suspense, and love. Lilly creates characters that are warm and memorable. ~~~Brenda Maxfield, author of The Edgemont Collection Sweet, touching, a bit scary and nerve-wracking, and ultimately satisfying. ~~~Books in the Hall
