Publisher From the Maui Weekly, January 11, 2006, Turns out my favorite Maui guidebook has five siblings. Its a family of great books. All the island Trailblazers (Maui, Kauai, Hawaii the Big Island and Oahu) are big on hikes, and really tell you everything you could possibly need to know to hike safely and enjoyably in each area described. They are equally complete in their snorkel site coverage and drives. In reading and using Trailblazer guides, you are encouraged to exercise your best judgement and show all the spirit of aloha you can muster.
