

The Black Moon (Poldark)

Fifth in the series Cornwall 1794. The birth of a son to Elizabeth and George Warleggan serves only to accentuate the rift between the Poldark and Warleggan families. And when Morwenna Chynoweth, now governess to Elizabeths eldest son, grows to love Drake Carne, Demelzas brother, the enduring rivalry between George and Ross finds a new focus for bitter enmity and conflict.
